Matt,

Thank you for the outline.

As you've suggested, tomorrow I'll get with the Harris County Appraisal district to see if they can provide me with an "official map" of Channelview's boundaries.

I did not have anything since we are on the other side of the ship channel, but I created this map from shapefiles I downloaded from this site.

<http://www.eng.hctx.net/GIS/gis.htm>

You might want to contact someone from here to get an official map however.
